If the reader desires records earlier than than these, please write to the compilor, as I have abstracts of Charles,Co,St Marys and all other Maryland counties, and can give information concerning them, or can sell a copy.

If the reader desires Revolutionary war records of Marylanders who servel in said war, even tho they went to other states later, as I have a very complete list.

I have the * abstracts of pension papers of all Revolutionary war soldiers who were born or enlisted in Maryland and later removed to Kentucky, all of which are very interesting and most of them show name of county in which they were born, married. Names of wife,and children and much data that would enable one to further trace the Maryland ancestrial lines.

I have many thousands of pages of records of Many families of Maryland, Kentucky, Virginia and Tennessee.

I have lists of Revolutionary war soldiers who settled in Missouri, Illinois, Va,Maryland,Ky, Va,Tenn,Florida,Georgia, and most of the Southern states. There ar 5,350 pages in my collection of Revolutionary war records of soldiers who settled in Kentucky, from all states.

I have the 1810 Census of Kentucky, can also make searches at the rate of $5. per day for records of the Census no matter which state or county your ancestors settled, - the 1850 census of any county and state is the first to show place of birth of everyone in every family, and gives their age on that date, the name of an aunt or uncle if any lived in their family - the 1860 census sometimes shows the name of county they were born, the 1870 is equally helpful, while the 1880 census not only gives all of the above,but also shows place of birth of parent of each person listed.

IF THE READER DESIRES TO HAVE RESEARCH WORK DONE, EITHER AT LIBRARIES IN WASHINGTON, D.A.R. & CONGRESSIONAL OR THE PENSION AND CENSUS BUREAUS, PLEASE SEND IN AS MUCH DATA AS YOU ALREADY HAVE, AND AT THAT TIME A FEE FOR THE WORK WILL BE QUOTED. THE GENERAL FEE IS $5. PER DAY FOR CENSUS RESEARCH WHICH IF CAREFULLY CHECKED ON EACH LINE THAT YOU ARE INTERESTED IN, IF YOU HAVE NOT ALREADY HAD THIS WORK DONE IS THE FIRST AND BEST STARTING POINT, AND EVEN THO NOW AND THEN ERRORS OCCURRED BY THE CENSUS TAKER, BUT ONE CAN USUALLY RELY ON THEM, FOR EXAMPLE THE 1850 CENSUS TELLS THE PLACE OF BIRTH OF EVERY ONE IN EVERY FAMILY, AND THEIR AGE ON THAT DATE, AND EACH 10 YEAR PERIOD AFTER THAT IS EQUALLY AND SOMETIMES MORE HELPFUL. EACH FAMILY HAS A NUMBER, THE EARLIER CENSUS ONLY GIVE HEADS OF FAMILIES, AND HOW MANY MALES AND HOW MANY FEMALES OVER AND UNDER CERTAIN AGES, WHICH IS ALSO HELPFUL IN ESTABLISHING RECORDS AS TO WHETHER THERE WERE MORE THAN ONE JOHN AND ETC,
